LITERATURE REVIEW
A. Study Predecessor
1. Putriani (2017)

Think about this title "technique dealer Muslim in fire _ competition trade at Wage Ngajuk Market". Objective from investigate Typically know how commerce competition between dealers in Wage Ngajuk Advertise as well as know what techniques are utilized by Muslim dealers in confronting the commerce competition in Wage Ngajuk Market. Inquire about strategies utilized in consider usually ponder expressive with subjective approach For know what methodology to utilize Muslim dealers in competition business at Wage Ngajuk Showcase. The inquire about result of this consider is that there's competition Which not solid between dealers which is hindering dealer others. So that make dealers Honest must more Work difficult for get client. Uniformity ponder This with think about analyst is issue Where There's competition Which No Healthy in world commerce.

2. Nuthqiyah (2016)

Ponder it's titled "competition retail commerce between Indomaret and Alfarma rt within the point of view of promoting blend (a case think about of Genuk Area, Semarang City)". Objective from consider This can be For know n indomaret and alphamart seen from point of view promoting blend. ian inquire about strategy utilized is clear investigate with a subjective approach to know competition trade between indomaret And alfamart. Comes about from the investigate from this think about is that the two companies compete in a solid way, nothing take after extortion in doing activity trade between both of them. Moment company the The same deliver benefit Which Great and deliver n competitive costs. In spite of the fact that in some cases one of them gives n cost Which exceptionally cheap in a couple of time, But That as it were constrained technique showcasing as it were. The similitude of this investigate with the researcher's investigate is minjau competition business between moment company And see There's extortion or No.

Ponder It is entitled “Convenience Think about And Tourist Safety In Locale Kuta Tourism Lombok". Objective from think about This is often For discover out which variables influence inconvenience and no secure, know level understanding open almost mindful visit, And know support open to comfort And security in zone Kuta Lombok. Through this approach it is anticipated to be able to help in get factors Which related with study comfort And security traveler in a way profound. Taking informa n in investigate participatory usually wiped out a purposive way the examining done to 15 individual witness. Comes about from think about This can be discover n verification that social work open in watch security, arrange, cleanliness, coolness, magnificence, neighborliness and recollections do not work with Great in a way framework For reach objective visitor Which Enable competitive tall.
B. Traveler

1. Understanding Visitor

Tourism etymologically comes from the word "Pari" which implies play and “Tourism” which suggests travel. Hence tourism can interpreted as exercises that circle from one put to another others (Yoeti, 1996: 112). Concurring to Wahab in his book title An Presentation an Tourism Hypothesis contends that tourism boundaries consists of 3 components viz man (human), as a visitor voyager, space (space), as a locale or the scope of the put to travel, time (time), as the time that utilized whereas traveling and remaining in visitor goals (Yoeti, 1996: 116). Based on these three components it can be concluded that tourism as human movement in carrying out exercises exterior of every day exercises and get treatment and benefit alternately By people in something place For temporary time.

Based on the Law of the Republic of Indonesia Number 10 of 2009 on Tourism states that tourism is “many sorts tourism exercises and backed by different offices and administrations given by community, commerce, government and neighborhood government”. In a sense tourism there are a few vital variables which is inside a restrain definition traveler. variables Which meant in between is:

a. Travel that limited by time (brief time).
b. Journey that done from something place to put other.
c. Travel that, always associated with exists firstly.
d. No make journey the as movement search for living, but as it were ended up shopper.

Thus, tourism (Tourism) could be a limited journey by time and held from one put to another, with the intention not to create a living within the places gone by, but exclusively for do action firstly as well as fulfill require Which different assortment (Yoeti, 1982:109).

2. Sort and Type Traveler

In understanding with the potential that's claimed or the legacy left by the grandma ancestor in a country, at that point emerge Random sort and sort traveler created as action, which over time have i feature alone. Agreeing to Yoeti (1996:120-124) to presently sorts and sorts traveler Which We recognized in a number of sort that's:

a. Agreeing to area topographical
b. Agreeing to adjust sheet installment
c. Concurring to reason or objective travel
d. Agreeing to minute or time visit
e. Agreeing to the object

1. Traveler Territorial

That's action tourism developing in an zone Which room scope more wide when compared to with "traveler local", for example, tourism in East Java, Bali, And etc.
2. Tourism National
   a. Tourism in Meaning Narrow
      That's movement tourism Which develop in locale something nation. In where a number of person Which traveling could be a citizen of his own country And individuals remote Which domiciled in nation the.
   b. Tourism National in Meaning Wide.
      That's activity tourism Which create in something region something nation, other than movement “ residential tourism ” is additionally created “ remote tourism ” where in it too incorporates " in bound tourism " and " out going". tourism ”. So here, apart from the traveler activity in in claim nation, there's also traffic outside visitors nation, nor from in nation to exterior nation.
   3. Tourism Worldwide – Territorial
      Specifically tourism exercises that create in an region restricted worldwide, but crosses more than boundaries two or three nation in locale the. For case tourism ASEAN, East Center, And etc.
   4. Tourism Universal
      Understanding is synonymous with world tourism, to be specific action tourism Which develop in entirety nation in world.

METHOD
   The writing of this paper is based on a review of literature and relevant information sources. Rules and regulations regarding the arrangement of karaoke venues from various sources such as government authorities, local regulations, and official documents will be the main basis for writing this paper. A comprehensive approach will be taken to provide a thorough understanding of the arrangement of karaoke venues. Through a deeper understanding of the arrangement of karaoke venues, it is hoped that a quality, safe, and in accordance with applicable regulations will create an entertainment environment. In this study, the writer conducted an approach and interview method at an entertainment venue in the Demak district.
DISCUSSION

1. Regional Regulation Number 11 of 2018 Concerning the Implementation of Entertainment Businesses in Demak Regency

Concurring to Aristo Evandy A. Barlian Territorial Directions are statutory controls shaped by the Territorial Agents Chamber with the endorsement of the territorial head (senator or regent/mayor). The fabric for territorial control mutants is all substance fabric within the setting of executing territorial independence and co-administration errands, and obliging extraordinary territorial conditions and encourage elaboration of higher laws and directions. Territorial Controls comprise of:

a. Provincial Regulation, which applies within the Territory. Common controls are built up by the Common DPRD with the joint endorsement of the Representative.

b. Regency/City Territorial Controls, which apply in said Regency/City. Regency/City Territorial Directions are set up by the Regency/Municipal DPRD with the joint endorsement of the Regent/Mayor. Regency/City Territorial Controls are not subordinate to Common Directions.

In Demak Rule itself, a few Territorial Controls have been built up where the arrangement is planning so that individuals within the Demak Rule zone can do everything with a clear premise, and the Demak Rule government can control the community at huge so that it can run in an efficient way agreeing to existing directions. One of the items of the Demak Rule Territorial Control is Territorial Direction Number 11 of 2018 concerning the Execution of Excitement Businesses in Demak Rule. In understanding with the title of the Territorial Direction, the Territorial Direction points to control amusement trade performing artists in Demak Rule to be able to carry out their commerce with a legal basis and clear rules and it is trusted that amusement trade on-screen characters in Demak Rule can comply with existing directions so as not to urge sanctions from requirement officials of the Territorial Directions in Demak Rule. One of the things that incited the positions of the DPRD of Demak Rule to compile the Territorial Direction was the rise of amusement commerce on-screen characters who set up their claim businesses but did not have grants and were not appropriately organized, as expressed by Mr. Sri Fahrudin Bisri Slamet, SE who right now serves as chairman of the Demak Rule DPRD as takes after.

"In Demak Rule itself, there are many trade performing artists who don't enroll their put of commerce, particularly karaoke amusement trade performing artists, causing karaoke business actors to not have official licenses. This is often moreover detrimental to the locale since these trade on-screen characters don't pay nearby charges since they don't enlist the commerce premises they manage."

In shaping the Territorial Direction, the Demak Rule organization beside the Demak Rule DPRD have complied with the existing stream, guided by Law Number 23 of 2004 concerning Territorial Controls. Mr. Sri Fahrudin Bisri Slamet, SE who as of now serves as chairman of the Demak Regency DPRD said:

"In an exertion to set up Regional Control Number 11 of 2018 Concerning the Usage of Demak Rule Amusement Trade, we to begin with included the arrange within the DPRD Work Arrange one year some time recently the arrangement of
the Territorial Control, after that we as it were carried out the arrangement and formation of Territorial Controls that had been arranged already. At that point the ranks of the DPRD of Demak Regency in conjunction with the Regent of Demak Rule too continuously arrange, both within the drafting arrange and within the planning until afterward the Territorial Control is ratified."

In Territorial Direction Number 11 of 2018 concerning the Usage of Excitement Businesses in Demak Rule, it states that a few amusement trade places that are allowed to work, these excitement businesses are as takes after.
a. Sports Field;
b. Craftsmanship Field;
c. Diversion Fields;
d. Evening excitement;
e. Knead; and
f. Karaoke

2. Licensing for Establishment of Entertainment Business Places in Demak Regency

In building up a put of trade to control the salary of the locale as well as overseeing amusement scene trade on-screen characters, it is fundamental to have a clear and deliberate organization in understanding with the existing rules and controls, both from an authoritative side and from another side. One of the endeavors in overseeing trade on-screen characters so that they run concurring to existing rules, it is vital to hold a trade area allow or other licenses.

A allow could be a articulation that's more often than not issued in association with an act which in substance must be precluded but the thing that's the protest of the said activity is by its nature not hindering and the act can be carried out as long because it is beneath the supervision of State Organization gear. In Demak Rule itself, it has controlled licenses for commerce performing artists, both from building licenses and commerce licenses so that this can be expecting so that trade on-screen characters can be well organized so that the Demak Rule government authorities through law requirement officers can oversee and give course to the culprits. trade within the Demak Rule range does not abuse existing rules and laws. For commerce performing artists in case they need to build a building, they can enroll with the taking after necessities:
a. Stamped application frame 6000
b. Applicant's ID card
c. NPWP
d. Arrive certificate or certificate of arrive proprietorship
e. Area allow or area certificate
f. Proclaim on arrive drying or IPPT
g. 1:1000 scale ground circumstance drawings
h. Floor plans, establishments, rooftops (front see, side see) in cross area or longwise with a scale of 1:100, 1:50, 1:20 with endorsement from DNPATARU (Open Works and Spatial Arranging)
i. Calculation of construction for a particular building
j. TP3MT chairman's suggestion (for media transmission towers)
k. Control of lawyer with a stamp of 6000
l. KRK (City Arranging Explanation)
m. Endorsement of prompt neighbors.
In the interim, to create a trade permit within the tourism sector is as takes after:
   a. Photocopy of KTP
   b. Work plans/proposals
   c. Photocopy of certificate or certificate of proprietorship
   d. Photocopy of area allow or environmental recommendation letter
   e. Letter of endorsement from the proprietor of the arrive or building (in the event that the trade involves arrive or buildings claimed by another individual)
   f. Duplicate of IMB (Building Allow)
   g. SPPL or neighbor allow or UKL UPL or AMDAL
   h. Control of lawyer with a stamp of 6000 on the off chance that spoken to.
In any case, it is exceptionally disastrous that the comes about of field assessments appear that not all trade on-screen characters comply with the rules or directions that have been stipulated.
3. Factors Affecting the Rampant Irregularities by Karaoke Business Place Actors
   Until presently, numerous karaoke excitement commerce on-screen characters in Demak Rule have committed infringement by not taking after the methods in understanding with existing territorial directions, to be specific Territorial Direction Number 11 of 2018 concerning the Execution of Excitement Businesses in Demak Rule, so that karaoke amusement commerce on-screen characters in Demak Rule consequently commit acts or acts against the law, whether deliberately or not realized by the culprits of the karaoke trade premises.
   Acts against the law, both gracious (onrechtmatige daad) and criminal (wederrechtelijke daad) are two critical concepts within the talk of lawful science. In common, particularly in the event that you take after the standard of lawful thought in Indonesia, these two concepts encounter uniqueness within the course of their elucidation. Acts against gracious law lead to wide (broad) implications, to be specific by deciphering law not the same as law (damp). So, onrechtmatige contains a diverse meaning from onwetmatig.
   It isn't sufficient to judge whether an act is an illegal act on the off chance that it is as it were based on a infringement of the run the show of law, but the act must too be surveyed from the viewpoint of respectability. The truth that somebody has damaged a run the show of law can be a calculate in thought to survey whether the act that caused the misfortune is fitting or not with the respectability that a individual ought to have in affiliation with individual citizens. There's a calculate that most underlies the culprits of the karaoke excitement commerce in Demak Rule so that they still damage existing directions, this figure is the mental figure of the culprits of the karaoke excitement trade. Prof. Dr. Andi Sofyan, SH., MH and Dr. Hj. Nur Azisa, SH, MH notices in his book Criminal Psychology tries to supply an understanding that there are certain mental or mental variables that impact a individual to commit a wrongdoing, starting from unsettling influences from the least level to the most noteworthy level.
Separated from mental variables, financial components moreover make karaoke amusement trade on-screen characters still abuse existing regulations. Perspectives of life in society comprises of several viewpoints, among others, as takes after.

a. Social portability;
b. Competition and social struggle;
c. Political belief system;
d. Economy;
e. populace amount;
f. Religion; And
g. Word related salary.

At that point agreeing to Barnest and Teeters, there are two ways to bargain with wrongdoing, specifically as takes after.

a. Realizing that there will be must create social compulsions or financial weights and weights, which can impact a person's behavior to the point of committing a wrongdoing, and

b. Centering on people who appear criminal or social potential, indeed in the event that this potential is caused by natural and mental unsettling influences or need of great sufficient socio-economic openings so that they can shape a concordant entirety.

4. Enforcement of Regional Regulation Number 11 of 2018 Concerning the Implementation of Entertainment Business Places in Demak Regency

In an exertion to implement territorial controls in Demak Rule, nearby direction authorization authorities have made each exertion to get comes about in agreement with existing laws and controls. The Satpol PP positions of Demak Rule carry out their capacities in agreement with the law as stipulated in Chapter 9 portion 5 Passage One of Article 255 Section 2 Law Number 23 of 2014 concerning Territorial Controls which peruses as takes after.

The gracious benefit police unit has the specialist to:

a. Carry out non-judicial requirement activities against community individuals, device, or lawful substances that abuse territorial directions and or territorial directions
b. Take activity against individuals of the open, device or lawful substances that aggravate open arrange and open arrange
c. Carry out investigative activities against community individuals, device, or legitimate substances suspected of abusing territorial controls and or territorial controls
d. Carry out regulatory activities against community individuals, device, or lawful substances that damage territorial directions and or territorial directions.

In terms of upholding territorial controls, there were too numerous infringement committed by on-screen characters in karaoke amusement foundations, one of which was the deal of alcohol and other things. In Territorial Direction Number
11 of 2018 concerning the Execution of Excitement Businesses in Demak Rule it clearly forbids the deal of alcohol.

Any individual or substance in running an amusement trade is denied from:

a. Utilizing underage representatives;
b. Offering or dispersing and/or made reasonable for devouring alcoholic refreshments;
c. Offering or disseminating and/or giving offices for circulation and utilized as a put to expend opiates and psychotropics;
d. Giving offices and/or getting to be a put for betting;
e. Performing or giving offices for corrupt acts;
f. Get guests wearing school regalia, gracious hireling regalia, and TNI/POLRI regalia; and
g. Carrying out exercises exterior the commerce permit allowed.

The moo level of open acquiescence to existing controls makes it one of the impediments to law authorization in Demak Rule. There are a few components that can impact law requirement, counting the taking after:

a. The legitimate figure itself, which in this paper will be constrained to the law;
b. Law authorization components, to be specific the parties that make up and apply the law;
c. Components of offices or offices that back law requirement;
d. Community components, to be specific the environment in which the law applies or is ordered; And
e. Social variables, to be specific as a result of work, imagination and taste based on human activity in social life.
CONCLUSION

The rise of amusement commerce performing artists who set up their possess businesses but don’t have licenses and are not appropriately organized, the Demak Rule Territorial Government and the Demak Rule DPRD facilitated to create a legitimate item, specifically Territorial Direction Number 11 of 2018 concerning the Execution of Excitement Businesses in Demak Rule. In agreement with the title of the Territorial Control, the Territorial Control points to control excitement trade on-screen characters in Demak Rule to be able to carry out their trade with a legitimate premise and clear rules and it is trusted that excitement trade performing artists in Demak Rule can comply with existing directions so as not to induce sanctions from law requirement authorities.

In Demak Rule itself, it has controlled licenses for commerce performing artists, both from building permits and trade grants so that this can be aiming so that trade on-screen characters can be well organized so that the Demak Rule government officials through law requirement officers can oversee and give heading to the culprits. commerce within the Demak Rule range does not abuse existing rules and laws.
