We are pleased to present the latest issue of **Jurnal Sosial, Politik, Budaya (SOSPOLBUD)**. This publication serves as a scientific platform for researchers, academics, practitioners, policymakers, and students to disseminate high-quality research and scholarly perspectives in the fields of social sciences, political studies, cultural studies, public policy, governance, communication, and other related disciplines.

The rapid transformation of society, politics, and culture in the digital era presents both opportunities and challenges that require evidence-based analysis and interdisciplinary collaboration. Through this journal, we seek to encourage critical discussions and innovative research that contribute to the advancement of knowledge and provide practical solutions to contemporary issues at the local, national, and global levels.

The articles published in this issue have undergone a rigorous double-blind peer-review process to ensure their originality, scientific merit, and academic quality. We sincerely appreciate the valuable contributions of the authors, reviewers, and editorial team whose dedication has made this publication possible.

We hope that the research findings presented in this issue will enrich academic discourse, inspire future research, and support informed decision-making across various sectors. We also warmly invite researchers from around the world to submit their original manuscripts and become part of our growing scholarly community. Thank you for your trust and support of **Jurnal Sosial, Politik, Budaya (SOSPOLBUD)**. We remain committed to maintaining high standards of publication ethics, academic integrity, and scientific excellence while fostering meaningful contributions to society through research.
